

Our Branch in LaPorte Is Closing Temporarily

Dear Members –

Throughout the pandemic, we have remained committed to serving your needs while balancing our responsibility to operate efficiently and effectively. Like other banks and credit unions big and small, the U.S. labor shortages have impacted the operations of Northern Indiana Federal Credit Union. Therefore, we have made the difficult decision to temporarily suspend operations at our LaPorte office.

Effective March 21st, 2022, our LaPorte branch will not be open to members.

The decision to temporarily close the LaPorte office is very difficult. We also understand the impact and inconvenience this closure will have on the members that utilize this branch. Please accept our sincerest apologies.

While we hope to reopen soon, as your credit union, we are always here for you. Whether it's in person, via phone or online, NIFEDCU offers many banking options for our LaPorte members including the **Merrillville location, online banking, mobile check deposit, surcharge-free ATMs and access to our Shared Branch Network**. In fact, you are never truly far from us!

During this temporary closure, LaPorte members may request a credit for up to 4 shared branching transactions each month.

Thank you for your understanding.
Your friends at Northern Indiana Federal Credit Union
