FINANCIAL SERVICES BUILT FOR HARDWORKING PEOPLE

LaPorte Is Reopening!

We are excited to announce that our LaPorte office will reopen by June 1st - maybe sooner!

Over the next couple of months, the LaPorte office will be remodeled with the highest priority placed on the safety and security of our team.

While all of the operational details regarding the reopening have not been decided, I can announce that Sue Lindborg will be there to greet you when it does!

I also want to share that the LaPorte office will initially reopen two (2) days a week. As we move forward and rebuild activity (member visits), adjustments will be made.

There is no doubt that the temporary closure was a true inconvenience. Please know we are especially grateful for the patience of those members that utilized LaPorte as their primary service center - thank you!

Stay tuned for updates and information.
